Introduction to Salish Kootenai College

Mission Statement
The mission of Salish Kootenai College is to provide quality postsecondary educational opportunities for Native Americans, locally and from throughout the United States. The College will promote community and individual development and perpetuate the cultures of the Confederated Tribes of the Flathead Nation.

Vision
The vision of Salish Kootenai College is to foster curricula and vocational certification, and associates and bachelor’s degree programs that meet the unique needs of the Native American population. While the college encourages diversity, its primary purpose is to serve the needs of Native American People.
Jeanne Clery Disclosure of Campus Security Policy

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law that requires colleges and universities across the United States to disclose information about crime on and around their campuses. Because the law is tied to participation in federal student financial aid programs it applies to most institutions of higher education both public and private. It is enforced by the U.S. Department of Education.

The law was amended in 1992 to add a requirement that schools afford the victims of campus sexual assault certain basic rights, and was amended again in 1998 to expand the reporting requirements. The 1998 amendments also formally named the law in memory of Jeanne Clery. The law was amended in 2000 to require schools beginning in 2003 to notify the campus community about where public "Megan's Law" information about registered sex offenders on campus could be obtained. Most recently, President Obama signed into law the Violence Against Women Act which requires institutions to report statistics of Sexual Assault, Domestic Violence, Dating Violence and Stalking in the institutions Annual Security Report. For the 2014, institutions have to make a “Good faith effort” to include these stats.

SKC Security Policies

The safety and health of faculty, staff, students and visitors are of the greatest concern for the Salish Kootenai College. Creating and maintaining a safe campus requires the cooperation and involvement of everyone. The security personnel of SKC are the eyes and ears of the college and are not sworn law enforcement. Therefore, any action that requires law enforcement is turned over to tribal police and Lake County Sheriff’s Office. SKC Security has a close working relationship with Tribal Law & Order and Lake County Sheriff’s Office. All incidents that occur within college grounds are reported immediately to SKC Security where an incident report is completed. If the incident is criminal in nature tribal law enforcement and or Lake County sheriff department is contacted and reported to them.

To Report a Crime or Emergency

Contact SKC Security at (406) 239-6267 (non-emergencies), OR dial 406-883-7301, or 9-1-1 for Sheriff or 406-675-4700 or 9-3-3 for Tribal Police (emergencies only).

Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around student housing should be reported to the nearest available college personnel, SKC Security and/or to Tribal Law and Order. In addition you may report a crime to the following:

Executive Director of Auxiliary Services, Business and Community Outreach (Pending)
SKC Security Team Leader and Officers 406-275-4751, 406-239-6267
Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the SKC Security Officer in a timely manner. All incident reports are reviewed and distributed to the proper authorities. Incidents involving students will be forwarded to the Vice President of Academic Affairs for review and potential action. Statistics will also be presented on incidents of a more minor nature, such as, petty theft and campus accidents. SKC will prepare an annual report on campus crimes and incidents that will cover the preceding two years for which information is available by the Security Department. Crimes should be reported to SKC Campus Security to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Confidential Reporting Procedures
Any report made to Security and the Identity of the Reporting party is always kept confidential, whether you do or don’t want to pursue action within the SKC campus system or the criminal justice system. The purpose of confidential reporting is to comply with your wish to keep the matter anonymous while taking steps to ensure the future safety of yourself and others. With such information, SKC can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant and alert the campus community to potential danger. All reports are counted in the annual crimes statistics report for the institution.

Timely Warnings
In the event that a situation arises, either on campus or in close geographic relation to SKC, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued by SKC Administration. The warning will be issued through the college RAVE alert system and delivered via e-mail, text messaging and phone call as well as posted at SKC Student Housing and Dormitory. Depending on the particular circumstances of the situation, Campus Security Authorities may also post a notice on each bulletin board at their respective building across campus and the Student Housing department will post notices at each unit at SKC Student Housing. Anyone with information warranting a timely warning should report the circumstances to the SKC Campus Security 239-6267, SKC Security Office 275-4751.

Missing Student Notification
SKC regards the welfare and safety of its students who are housed on campus a primary concern. Any student that is concerned about another student’s welfare due to them not attending classes or has been classified as missing for more than 24 hours should report a missing student to the security office. A Security Officer will contact the Security Team Leader who will contact the vice-president of business affairs. If student has not been located, SKC Security will then contact local law enforcement about a missing student.

**As part of the SKC Student Housing Handbook all students living at student housing will have the option to fill out a confidential register for contact notification in case the student is missing. This document will be kept in the students file and will only be used when the situation warrants a missing person. In the event that**
a missing student is under the age of 18, the academic vice president upon receiving notification from
SKC Security Department will notify the parent or guardian of said student.

**Reporting Annual Disclosure of Crime Statistics**
The Clery Act Compliance Officer prepares this report to comply with the Jeanne Clery Disclosure of
Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local
law enforcement agencies surrounding our main campus and alternate sites, SKC Security, Vice
President of Academic Affairs, and SKC Student Housing Department. Each entity provides updated
information on their educational efforts and programs to comply with the Act.
Campus crime, arrest and referral statistics as well as sexual assault, domestic violence and stalking
that due to VAWA amendments include those reported to SKC Security, designated campus officials
including but not limited to directors, department heads, designated campus security authorities, and
local law enforcement agencies.

Each year, a notice in placed in a new students packet at New Student Orientation print out that
provides the web site to access this report as well as emailed to students when their email is set up
and emailed to existing students. Faculty and staff receive a similar notification with their
paycheck. Copies of the report may also be obtained at the Security Office located to the west of the
Big Knife building or by calling 406.275.4751 or 406.239.6267, Enrollment Services Department or
SKC Student Housing Department. All prospective employees may obtain a copy from Human
Resources in the Big Knife Building or by calling 406.275.4985 and the website address will be
attached to SKC employment applications. Notification that provides the web site to access this
report is printed on the current student applications.

**Accurate and Prompt Reporting Policy**
Security officers have reports written within 24 hours of incident. We ask that reporting parties have
statements completed in a reasonable amount of time.

**Monitoring and Reporting of Criminal Activity Off-Campus**
Salish Kootenai College does not have any off-campus housing areas. We do obtain stats from local
law enforcement in regards to areas surrounding the SKC Campus and whether incidents may affect
SKC.

**Emergency Response and Evacuation Procedures**
In the event that a significant emergency or dangerous situation involving an immediate threat to the
health or safety of students or employees occurs on or around campus, SKC administration will
initiate an Emergency Notification. That may include notice of evacuation or other required
emergency response. Upon confirmation of an emergency, Salish Kootenai College will, without
delay, determine the content of the emergency and initiate the emergency notification system, unless
the notification will, compromise efforts to contain, respond to, or otherwise mitigate the emergency.
SKC Administration will determine which segment or segments of the campus are at risk by
assessing and taking recommendations of Law Enforcement personnel and security staff.
Emergency Notification may utilize the phone intercom system, the college’s JICS, email and website
systems, RAVE mobile safety, and paper postings by each building’s CSA.
In the event of a significant emergency the Campus Emergency Response Team (CERT) will respond according to established procedures. The CERT team will continue to assess the emergency to determine need for updates or broader communication to the community. In the event that an emergency poses a threat to the surrounding County emergency services to issue information and respond to the emergency. Disseminating emergency information to the larger community by press release, radio announcements, and/or TV alerts will be done depending on the nature of the emergency. All information will be issued through the President’s office.

The SKC CERT will coordinate annual training and testing of the Campus Emergency Response Plan including the Emergency Notification System. Documentation of the test will be kept by the Security Manager at the SKC Security Office.

All SKC employees and students are encouraged to register personal cell phone numbers with the RAVE Alert System. Call the IT Helpdesk at 406.275.HELP for more information about this system. For more information about SKC’s Emergency Response Plan, contact your Building Emergency Coordinator or the Office of Institutional Effectiveness, x 4931.

**Incident Management and Recovery Policy**

Salish Kootenai College (SKC) is committed to ensuring continuation of essential function’s for students, faculty and staff through an effective and comprehensive program of incident management and recovery. The purpose of this policy is to enable a rapid, coordinated and effective response to an interruption to normal activities and the recovery of SKC’s critical activities. In the event of a major incident or disaster that compromises operational function, SKC’s highest priorities will be:

* Health and safety of individuals
* Continuity of teaching, business operations, and other campus functions
* Preservation of facilities
* Safeguard from financial loss

It is the responsibility of each faculty and staff member to know their role in an emergency, have read the Emergency Response Plan, know the identity of their Building Emergency Coordinator, and participate in trainings, drills and other emergency preparations as requested by campus administration.

Emergency Conditions:

SKC will attempt to provide for the continuity of operations in the event of emergency conditions. Plans should not be restricted to the loss of critical automated systems. The following possible interruptions, at a minimum, must be considered in developing plans:

- Natural disasters (hurricane, blizzard, earthquake)
- Loss of personnel (pandemic)
- Loss of critical infrastructure and support (central IT services, flood, fire)
Major disruption of campus community (hostile intruder, mass casualties)
Neighboring hazards (e.g. chemical spill on highway)
Loss of buildings, utilities or automated systems (HVAC, water, gas, electricity)

Access Policy
SKC maintains an open campus. Instructors regulate access to the classrooms and laboratories. Campus Security is responsible for evening access to buildings and their lockup. The SKC security system covers all of the buildings on campus. Physical Plant personnel and SKC Security personnel activate and deactivate the systems at night and in the morning or for various activities that take place for each building. SKC Student Housing is patrolled regularly by SKC Campus Security. Access to individual units is controlled in accordance with the SKC Student Housing Handbook. Keys are issued to the head of household. SKC Student Housing Department maintains the key system and enters units according to the SKC Student Housing Handbook.

Campus Security Authority and Jurisdiction
As a result of the negotiated rulemaking process, which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. Campus Security Authorities are people who are part of the campus police or public safety/security; an individual who has responsibility for campus security but does not constitute a public safety official and an individual or organization specified in an institutions policy to report criminal offenses.

Security Awareness Programs
Programs presented to staff and faculty will have the most recent statistics on reportable crimes on campus and the surrounding area. This information can be found at http://safety.skc.edu, the annual SKC Staff In-Service held every September, and at SKC Staff/Faculty meetings throughout the academic year.

Emergency Drills, Testing and Evacuation Procedures
As part of the Great Rocky Mountain Shake Out, SKC performed an earthquake drill on November 14th, 2013. With this drill, individuals on campus were informed to “Stop, Drop and Take Cover”; people were then evacuated to designated areas and waited for the drill to end. Coinciding with this, SKC Security and SKC Housing performed a Fire Drill at the SKC Dorms. The fire alarm was pulled and students evacuated the building going towards the field that is located to the west of the dorms.
On June 12th, 2013, SKC performed an Active Shooter Drill consisting of staff and faculty on campus to receive RAVE alerts and to find an area of concealment they could get to quickly in the event and active shooter was on campus or in their building.

**Policy on Drugs and/or Alcohol**
The use or possession of illegal drugs and/or alcohol is prohibited at SKC. Attending class under the influence of alcohol or drugs is reason for dismissal and or suspension from SKC. Under Federal regulation, SKC is required to have a drug and controlled substances code which are 261.10 and 261.20 Students who manufacture, distribute, dispense, possess or use a controlled substance while on the SKC campus, or attending a college class away for the main campus, or participate in a college sponsored activity may be placed on probation, be suspended, or be expelled from further attendance at SKC.

**Montana Law states: “It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal”. It is also a violation of the SKC Alcohol Policy for anyone to consume or possess alcohol in public or private area of campus.**

**CSKT Law & Order Laws Codified 2–1–1005. Illegal possession or use of liquor. (1) A person commits the offense of illegal possession or use of liquor by knowingly and purposely: (a) manufacturing, purchasing, transporting, or possessing any intoxicating beverage for the purpose of sale or resale, or in violation of any Tribal law regulating the possession of intoxicating beverages; or being under the influence of any intoxicating beverage; or (b) consuming, possessing, or transporting any intoxicating beverage within or into designated pow–wow grounds during any pow–wow duly authorized by the Tribal Council.**

**Definition of a Controlled Substance:**
Any drugs in conflict with the Indian Religious Freedom Act are exempt from this policy.
A drug which has been declared by federal or state law to be illegal for sale or use, but may be dispensed under a physician’s prescription. The basis for control and regulation is the danger of addiction, abuse, physical and mental harm (including death), the trafficking by illegal means, and the dangers from actions of those who have used the substances. [www.legal-dictionary.com](http://www.legal-dictionary.com)

**Alcohol and Substance Abuse Information**
The campus will actively participate in larger, national awareness efforts such as National Alcohol and Drug Awareness week. The College will provide educational materials throughout the year in the areas of alcohol and substance abuse prevention. Special efforts will be directed toward each student during orientation and registration. Finally, this policy or a version of this policy will be distributed annually to all students and employees. Also see page 11 of the Alcohol and Drug Prohibited section of the SKC Student Handbook.

**Crime Prevention Programs Policy Statement**
SKC Student Housing and SKC Security encourage students and residents to practice basic safety habits as outlined in the SKC Student Housing and Dorms Manual such as keeping doors locked, walking with friends and calling Security for an escort.

**Sex Offense Policy Statements**
To provide college employees and students with an environment free from sexual harassment. This includes unwelcome sexual advances, requests for favors and other verbal or physical contact of a sexual nature. Encouraging early reporting resolve complaints promptly, confidentially, possible; and to prohibit retaliation against he/she has made a report of alleged sexual employee and student who has testified, manner in an investigation of a report. 

**Sexual Assault Prevention and Response**
SKC maintains the disciplinary powers to protect its educational purpose through the setting of standards of scholarship and conduct and through the regulations of the use of its instructional facilities and Campus Residences. See section on Campus Conduct Code in the SKC Student Handbook.

All Complaints are directed to the Academic Vice President.
Whether the complaint is one of academic, personal, or sexual misconduct, the procedure is:

1. Notify the Academic Vice President as soon as possible. This notification need not be in writing and should be within 30 days of the misconduct. Misconduct reported after 30 days may be investigated, but type and level of possible sanctions will be affected. Incidents of sexual misconduct may be investigated up to 3 years after occurrence.
2. It is expected that any emergency or criminal misconduct will be reported to the CS&K Tribal Law Enforcement Department. Campus code affects students/staff status only.
3. Given the size and culture of the SKC community, informal resolution is the most desirable route and a win-win agreement will be the goal. This does not mean to indicate that a person will not be sanctioned as outlined in this code. Rather, that the welfare of the person violated and the SKC community will be of higher priority.
4. A written statement will be generated. This may be by the complainant/victim at the request of the Associate Vice President or may be compiled by the Associate Vice President from the verbal report given at the initial notification.
5. The Associate Vice President or designee will attempt to reach agreement on resolution with appropriate parties within 5 days of the notification.
B. POLICY SPECIFIC TO SEXUAL HARASSMENT/ASSAULT
1. Persons notifying the Associate Vice President of a sexual offense will be referred to an Advocate. The advocate will inform the victim as outlined in the Sex Offense Guidelines under the Higher Education Act of 1992. The Advocate will work with the victim as requested by the victim.
2. Sexual Harassment potentially violates items 2, 3, and/or 6 of the Campus Code.

C. IF INFORMAL RESOLUTION IS NOT ACHIEVED
1. Formal, written charges, indicating specific code violations are presented to the accused the 5th day after notification of the incident to the Associate Vice President.
2. A hearing is set for no longer than 15 days after the charges are presented.
3. A hearing is held before the Associate Vice President (or designee) OR in cases of a more serious nature, the student may choose a hearing before a Student Rights and Responsibilities Committee.
4. Recommendations by a designee or the Student Rights & Responsibilities Committee are to be forwarded to the Associate Vice President no later than 3 working days after the hearing. Decisions are to be communicated to the accused no later than 5 working days after receipt of the recommendations. Victims may request to be notified of the outcome of the hearing, including sanctions.

D. HEARING PROCEDURES
1. All hearings will be private if requested by the accused student. In a hearing involving more than one student, severance will be allowed if requested.
2. An accused student has the right to be represented by an advisor of his or her own choosing from within SKC.
3. Any party to the proceedings may request the privilege of presenting witnesses subject to the right cross-examination by the other parties. Production of records and other exhibits may be required and a record will be kept of the proceedings.
4. In cases of probation or suspension, the student may have a choice of one of the following:
   - Appear before the Associate Vice President and accept the decision
   - Appear before Student Rights & Responsibilities Committee made up of three students, three faculty members and a chairperson from the administration. The chairperson will be a non-voting member and not the Associate Vice President.
5. Recommendation for the imposition of sanctions is based upon evidence in support of the charges and not on the failure of the accused student to answer charges or appears at the hearing.
6. A panel that includes the Associate Vice President or designee and 2 faculty/staff members will hear cases against a faculty/staff person. The format will be the same as
for student hearings. Decision is responsibility of the Associate Vice President, upon receiving recommendations from the panel.

E. **RIGHT OF APPEAL**
   1. The decision of the Associate Vice President is final unless the student elected to appear before the Student Rights & Responsibilities Committee.
   2. The decision of the Committee is final, subject only to the student's right of appeal to the President of the College. The President may request a review, but the final decision rests with the Committee.

F. **SANCTIONS**
   Following a hearing, any one or more of the following may be imposed:
   1. No action - charges are dismissed.
   2. Warning: a written or oral reprimand for violation of specific regulations, including the possibility of more severe discipline sanctions in the event of another violation within a stated period of time
   3. Disciplinary probation: exclusion from participation in privileged activities as specified in writing for a period of time not to exceed one school year.
   4. Educative/counseling/creative interventions with specific goals, related to the offense, and measurable. Examples are: counseling; attending workshops; community service; essay.
   5. Restitution: Reimbursement for damage to or misappropriation of property. This may take the form of appropriate service or other compensation at the discretion of the Associate Vice President. This may include written or verbal apology.
   6. Suspension: exclusion from classes, other privileges or activities as specified in writing for a definite period of time not to exceed two years.

G. **INTERIM RESTRICTIONS**
   1. The Associate Vice President or designee may impose interim sanctions on a student pending a hearing if there is reason to believe that the student's conduct poses an imminent and substantial threat of injury or interference with persons or property.
   2. The Associate Vice President will meet with the student and inform them of the basis of the interim sanction and offer the student an opportunity to explain. The Associate Vice President may modify or delete the sanctions or may allow them to stand.

   A hearing shall be scheduled as soon as possible and no later than 10 days after the interim sanctions are imposed. The student may request a delay.
